

education

B.A. in Studio Art with a concentration in Graphic Design, 1999
Wittenberg University, Springfield, OH

experience

VP, Art Supervisor, 2008-present

Art Supervisor, 2007-2008

Senior Art Director, 2006-2007

Cline, Davis & Mann, New York, NY

Collaborate with Creative Directors and copywriter to develop concepts for pharmaceutical media advertising, collateral, sales promotion, and other client-driven projects. Work closely with Copy and Account Services as a team player to insure that strategic goals and objectives for each project are met. Delegate work to junior designers and manage them in their execution of concepts. Assist Art Buyers with the selection of photographers and illustrators so that the final deliverable is well aligned with the original concept. Choose and layout all visual elements of a project including type, illustration, and photography. Prepare and deliver executed concepts to the Client.

Associate, Director of Graphic Design, 2002-2006

Gruzen Samton Architects, New York, NY

Created all marketing and presentation materials for existing and prospective clients. Regularly executed large-scale installations, presentation boards, brochures and announcements. Redesigned Gruzen Samton's identity, created a sustainability master plan report for the New York City Mayor's Task Force and a new Landscape Design Manual for the New York City Department of Design and Construction. Responsible for maintaining graphic standards firm-wide. Routinely assisted in the refinement of renderings created by Gruzen Samton's architectural design teams.

Graphic Designer, 1999-2002

Goody Clancy Architects, Boston, MA

Designed marketing materials, including proposals, large-scale boards and Powerpoint presentations. Assisted architects with rendering manipulation and creation of architectural graphics, such as floor plans, building elevations and site plans.
